My Dear Friends and Colleagues

I am sending you all in Poland, Chaplains and Airport workers, on behalf of the I.A.C.A.C. and myself, our Love and Prayers in Christ.

It is such a terrible disaster to befall any country or chaplaincy and we pray that God will uplift you in his wonderful Easter Joy to minister to all those people who grieve in your airports.

May you take strength in the Easter promise of his love and the gift of his Holy Spirit and his Resurrection to his eternal life.

Please pass on my love and greetings to all your non Christian colleagues at this time. And I wish you all,

"Peace be with you, Assallah Mulaikim, Namiste, God Bless, Shalom, and Asatri Akall"

*Jonathan*
